

# James Jones Custom Performance Models

Linear Chromatic 10/14/13 Hammered Dulcimer (Piano Marking)

## Tuning and String Gauges

Piano markings - blacks are same as black keys of piano, whites are white keys.

I use number designations for wire sizes  
Their actual diameters are as follows.

PB is short for Phosphor-Bronze  
w for Wound

- 4 = .013
- 5 = .014
- 6 = .016
- 7 = .018
- 8 = .020
- 9 = .022

- 23PB = .0226
- 22PB = .0253

To order replacements contact me by phone or e-mail indicating the gauge and number desired and if you need loop ends. I will ship immediately and bill you for the strings.
