

Tuning Chart and String Gauges

James Jones

16/15 Chromatic & Student Hammer Dulcimer (1")

The top offset bridge may be moved in line with Treble 1 if you'd rather have an E6/A5, D6/G5.

Treble 1

Bass 1

I use number designations for wire sizes
Their actual diameters are as follows.

W for Wound

5 = .014
6 = .016
7 = .018
8 = .020
9 = .022
10 = .024
